SUBSCRIPTION TO AERONAUTICAL INFORMATION PRODUCTS - YEAR 2027

1. General

To subscribe to download rights for Aeronautical Information Products:

- Aeronautical Information Publication (AIP) in electronic form, including AIP Amendment (AMDT) and AIP Supplement (SUP),
- Aeronautical Information Circulars (AIC),
- Aeronautical charts,
- AIP data sets, and
- Terrain and obstacle data sets,

please complete and sign the attached Order Form, and e-mail it to ais@lgs.lv.

The download of the above-mentioned aeronautical information products is available only on the AIS Latvia website https://ais.lgs.lv, using direct electronic distribution, **free of charge**.

The download of a new issue of eAIP, a complete AIP amendment in PDF, AIP data set, terrain and obstacle data sets is made available so as to reach recipients at least 28 days in advance of the effective date.

Detailed information on available terrain and obstacle data sets is provided in AIP GEN 3.1.6.

AIP SUP and AIC, which are published between the publications of two AIP AMDT, are distributed by e-mail.

Note: eAIP, AIP SUP, AIC and Aeronautical charts are published and available on the AIS website also in view mode.

2. Access to eAIP, complete AIP AMDT in PDF, AIP Data Set, Terrain and Obstacle Data Sets download (direct electronic distribution)

Subscribers to the eAIP, complete AIP AMDT in PDF, AIP data set, and terrain and obstacle data sets are granted access to the digital download (direct electronic distribution). If you are a registered user of the AIS of Latvia website, please provide your account username in the Order Form when submitting it to request access to the digital download.

If you are not a registered user of the AIS of Latvia website, please create an account on the AIS of Latvia website at https://ais.lgs.lv/user/register. If you encounter any difficulties during the registration process, please contact the AIS of Latvia via e-mail at ais@lgs.lv.

When access to the digital download page is granted after authorization, the new website menu section called “Data Distribution” becomes available. Opening this section provides an option to download the required product.

To download the eAIP, complete AIP AMDT in PDF, AIP data set, and terrain and obstacle data sets from the "Data distribution" section, select the appropriate file from the list of available downloads. A CRC checksum is provided for each downloadable file, enabling users to manually verify the data integrity of the downloaded file using either their own tool or a tool provided by Latvian AIS (https://ais.lgs.lv/downloadCrcChecker).

3. Additional Information

Every client is welcome to use the following **System Wide Information Management (SWIM) services**:

- Aeronautical Information Request Service;
- Digital NOTAM Subscription and Request Service.

To access SWIM services, a user account must be registered in the SWIM Portal: https://swim-ais.lgs.lv/.

To register an account, the client must complete the Application form available after selecting **"Sign up"**. Once the Application form has been submitted, it is reviewed by the SWIM Administrator. Following approval of the registration application, the client receives an email containing a secure link to set a password for the SWIM Client Portal. After setting the password, the client can sign in to the SWIM Client Portal.

Upon successful sign-in, the client should navigate to the **"Access and Use"** section for further instructions on requesting data.

If you encounter any difficulties, please contact the AIS of Latvia via e-mail at ais@lgs.lv.
