### A 006. SUBSCRIPTION TO AERONAUTICAL INFORMATION PRODUCTS - YEAR 2023

---

#### 1. General

Persons interested in subscribing to download rights for Aeronautical Information Products:

- Aeronautical Information Publications (AIP), including Amendments and Supplements,
- Aeronautical Information Circulars (AIC),
- Aeronautical charts, and
- AIP data set

for the year 2023 should complete and sign the attached Order Form, and send it by e-mail: [ais@lgs.lv](mailto:ais@lgs.lv).

The above-mentioned aeronautical information products are provided in the form of the electronic AIP (eAIP) and AIP data set. Download of these products is available only on the AIS Latvia website <https://ais.lgs.lv> using direct electronic distribution **free of charge**.

Download of a new issue of eAIP and AIP data set will be made available so as to reach recipients at least 28 days in advance of the effective date.

AIP Supplements and Circulars which are published between publications of two AIP Amendments are distributed by e-mail.

*Note: eAIP, Aeronautical Information Circulars and Aeronautical charts are also published and available on the AIS webpage <https://ais.lgs.lv> (view mode).*

#### 2. Access to eAIP and AIP Data Set download (direct electronic distribution)

Subscribers to the eAIP and AIP data set (direct electronic distribution) will receive access to the digital download. If you are a registered user of the AIS of Latvia website, please provide your account username when submitting the Order Form to request access to the digital download.

If you are not a registered user of the AIS of Latvia website, then please create an account on the AIS of Latvia website <https://ais.lgs.lv/user/register> (in case of difficulty during the registration process, please contact the AIS of Latvia via e-mail [ais@lgs.lv](mailto:ais@lgs.lv)).

When access to the digital download page is granted after authorization, you will see the new website menu section called "Data distribution". Opening this section will provide an option to download the required product.

In order to download the eAIP and AIP data set from the "Data distribution" section, choose the appropriate file from the list of available downloads. CRC checksum is provided for every downloadable file, so you may check the integrity of the downloaded file manually using your tool or the tool provided by the AIS of Latvia (<https://ais.lgs.lv/downloadCrcChecker>).
